

Vendor Use and Selection of Certified EHR Logos

The InfoGard Laboratories, Inc. ("InfoGard") Certified Logo and the Office of the National Coordinator (ONC) Certified HIT Mark (the "Logos") are intended for use in association with Complete Electronic Health Records (EHRs) and EHR Modules that have been tested and certified by InfoGard under the ONC Health IT Certification Program. The specific vendor EHRs that have been certified by InfoGard may use the Logos under the following terms and conditions:

1. The InfoGard Certified Logo is a certification mark of InfoGard, which retains exclusive rights to control its use.
2. The ONC Certified HIT Mark is a certification mark of ONC, which retains exclusive rights to control its use.
3. InfoGard reserves the right to control the manner, frequency and terms of the use of the InfoGard Certified Logo by third parties at all times.
4. Permission for use of the Logos by [OEMR] is conditional on and limited to specific EHRs certified by InfoGard as complying with the Standards and Certification Criteria Final Rule (45 CFR Part 170 Part III).
5. The ONC Certified HIT Mark may only be used as permitted in the Criteria and Terms of Use for the ONC Certified HIT Certification and Design Mark.
6. The InfoGard Certified Logo may only be used in conjunction with the ONC Certified HIT Logo as permitted in the Criteria and Terms of Use for the ONC Certified HIT Certification and Design Mark.
7. Permission for use of the Logos may be revoked at the discretion of InfoGard and ONC at any time.
8. Permission to use the Logos in no way constitutes or implies product endorsement by InfoGard or by ONC.

Signature below acknowledges full agreement with the above conditions for the use of the Logos. Use of the Logos as specified above may begin upon receipt of the EHR certificate(s). The signed form applies for all certified versions of the product(s) listed below and as posted on the ONC CHPL website.
